This matter comes before the Public Service Commission of South Carolina (Commission) on the request of STi Prepaid (STi Prepaid or the Company), filed July 16, 2007, to withdraw without prejudice the Company's application to adopt fictitious names. This docket was established upon STi Prepaid's February 27, 2007, filing of an application for a Certificate of Public Convenience and Necessity to operate as an intrastate interexchange carrier in the State of South Carolina and the joint application of STi Prepaid and Dialaround Enterprises, Inc. (Dialaround) for approval to transfer the assets of Dialaround to STi Prepaid.

On April 23, 2007, STi Prepaid filed its application seeking to adopt fictitious names if the Commission granted the application of STi Prepaid for a Certificate to provide telecommunications services and approved the transfer of assets of Dialaround to STi Prepaid. STi Prepaid now seeks to withdraw, without prejudice, this request. According to STi Prepaid, the Company does not and will not market service under the

proposed fictitious names. STi Prepaid advises that the purpose of the fictitious name filing was solely to ensure that these names were associated with STi Prepaid for consumer inquiry purposes in the event a consumer inquired about interstate prepaid calling cards utilizing these names that were issued prior to STi Prepaid's acquisition of the assets of these other companies.

Upon consideration of STi Prepaid's request, the Commission finds that the request to withdraw its application to adopt fictitious names should be granted.

IT IS THEREFORE ORDERED THAT:

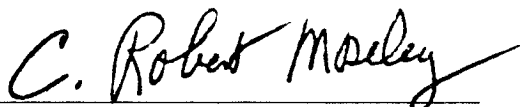

1. The request of STi Prepaid, LLC to withdraw, without prejudice, the Company's application for approval to adopt fictitious names is granted.
2. This Order shall remain in full force and effect until further Order of the Commission.
